

Superhero Syllogisms 3 Solutions

All these superhero syllogism rely on the pattern:

FACT 1: SOME X ... Y

FACT 2: ALL who Y ... Z

Therefore we can conclude from these facts alone that

NEW FACT: SOME X ... Z

For example:

FACT 1: SOME supervillains ... are bank robbers.

FACT 2: ALL bank robbers ... get caught eventually.

Therefore we can conclude from these facts alone that:

NEW FACT: SOME superheroes get caught eventually.

1. Answer:

FACT 1: SOME superheroes ... are gods.

FACT 2: ALL who are gods ... are immortal.

Therefore we can conclude from these facts alone that:

NEW FACT: SOME superheroes ... are immortal.

2. Answer:

FACT 1: SOME superheroes ... have lost a person they loved.

FACT 2: ALL who have lost a person they loved ... are sad.

Therefore we can conclude from these facts alone that:

NEW FACT: SOME superheroes ... are sad.

3. Answer:

FACT 1: ALL who can create ice ... like ice cream.

FACT 2: SOME superheroes ... can create ice.

Therefore we can conclude from these facts alone that:

NEW FACT: SOME superheroes ... like ice cream.

4. Answer:

FACT 1: SOME superheroes ... are scientists.

FACT 2: ALL who are scientists ... love their work.

Therefore we can conclude from these facts alone that:

NEW FACT: ALL superheroes ... love their work.

5. Answer:
